Subject: Extension Request Granted, Red Dome, Inc., Red Dome Project, M/027/032,
Millard County, Utah

Dear Mr. Anderson:

On February 2, 2005, we received your letter requesting an extension to furnish your response to the Division's review of your Large Mining Plan for your Red Dome Project. You have requested this extension because you were awaiting a site visit by Doug Jensen of our office to meet with Lynn Wall.

This site visit was made on March 9, 2005, by Tom Munson, Paul Baker and Doug Jensen of our office. The specifics and options of how the plan could be written were discussed with Mr. Wall. All questions he had were addressed and he was informed that we would be happy to answer any additional questions he may have. He requested that he be given time to implement the concepts he had gained from our onsite meeting.

Given these extenuating circumstances, the Division hereby grants your extension request. Please provide your response by April 29, 2005.

Thank you for your continued cooperation.

Sincerely,

Daron R. Haddock
Permit Supervisor
Minerals Regulatory Program
